How to use and get the most out of:

Calvary's Thru the Bible Training materials.

We recommend that you start in the Old Testament or New Testament from the beginning... preferably the Old Testament first. (That's where it all started for us)

1st Note the chapter(s) on top of each page, open your Bible to those chapters.

2nd Read all the questions that are listed for that particular session.

3rd Pray to have understanding and clarity of the scripture you will read and hear.

4th Read the chapter(s) Read the questions again.

5th Listen to message and answer the questions as you listen & read along.

6th Take notes and write down any questions you may have. Save these questions and discuss it with your group. Find your answer in the Bible or it's not an answer!

7th In one sentence on the last line write summary of what you have read and heard.
